NOTE: Safety members of the System who entered SCERS membership prior to January 1, 1975, contribute on the "variable" rates as indicated above. However, those members who entered SCERS membership on or after January 1, 1975, will make a total contribution of 7.72% on the first \$161.00*** of biweekly salary and 11.58% on the excess salary over \$161.00.***

* For those employees for whom the County or District pays one-half of the employee's share, the above rates will be divided by a factor of two. (See "Half" Rate Table).

** For those employees who are not contributing to Social Security, use only the rate indicated in the "excess" column, applied to the total retirement deductible compensation.

*** Employees paid on a semi-monthly basis use breakage factor of \$175.00 (first \$175.00 of salary on low rate; excess of \$175.00 of salary on high rate); monthly basis use breakage factor of \$350.00 (first \$350.00 of salary on low rate; excess of \$350.00 of salary on high rate).
