Dear Sacramento County Retiree or Beneficiary:

A technical glitch caused up to a one-day delay in the direct deposit of pension funds to individuals' accounts on January 31. We believed we had created a fail safe procedure to prevent this delay. We were wrong and have added additional measures to hopefully ensure a delay does not happen in the future. We sincerely regret the delay and want you to know that we are doing everything possible to ensure that the pensions you've earned are paid on time.

We also have been working diligently with the financial institutions to waive any related fees charged to retirees as a result of the delay. If you have been charged fees related to the delay, please mail copies of the notices to:

County of Sacramento
Department of Finance, Treasury Division
Attention: Bryan W. Celey-Butlin

or you can contact Bryan W. Celey-Butlin by phone at (916) 874-6368, or email at butlinb@saccounty.net.

Thank you for your patience.

Sincerely,

Dave Irish
