**SACRAMENTO COUNTY EMPLOYEES' RETIREMENT SYSTEM ("SCERS") –
ANNUAL REMINDER FOR RECIPIENTS OF MONTHLY BENEFIT PAYMENTS**

1. **Tax Withholding Election** If you wish to change your tax withholding, you can print a copy of SCERS Tax Withholding form at any time by going to the SCERS Web site, www.scers.org, and clicking the following links: Forms – Already Retired – Tax Withholding. Alternatively, you can request a hard copy of the Tax Withholding form by contacting our front-desk personnel at (916) 874-9119 or obtaining Form W-4P (Withholding Certificate for Pension or Annuity Payments) from an IRS Taxpayer Assistance Center or the IRS web site, www.irs.gov. The completed form should be sent to the SCERS office at the address noted at the bottom of the page. If you do not want to change your current tax withholding, you do not need to request or submit a new form for the 2012 calendar year.
2. **Beneficiary Designation** Whether you are a retiree, survivor or former spouse receiving monthly benefits, you should have a designated beneficiary on record with SCERS. However, if your designated beneficiary predeceases you, you must notify us in writing. SCERS will then either send you a hard copy of the "Member's Affidavit" form for you to sign and return, or provide directions for obtaining such a form on the Web site to then print, sign and return.
3. **Address/Name/Marital Status Changes** If your name, address or marital status has changed since you last contacted SCERS, please notify us immediately. When we hear from you, SCERS will then either send a hard copy of the "Member's Affidavit" form for you to sign and return, or provide directions for obtaining such a form on the Web site to then print, sign and return. [Please remember that SCERS directs the U.S. Postal Service not to forward mail to any addresses not on record with our office.]
4. **Medical & Dental Benefits** Questions regarding the County-sponsored medical and dental plans should be directed to the County's Employee Benefits Office at (916) 874-2020. Here are some things to remember:
 - a. Persons who marry after their SCERS retirement date and decide to enroll a new spouse in a County-sponsored medical and/or dental plan must do so within 30 days of the qualifying event. As part of this process, affected persons are required to complete spousal enrollment forms and provide copies of their marriage certificate.
 - b. You must notify the County's Employee Benefits Office if you or any covered dependent becomes entitled to Medicare within 30 days so you may be enrolled in a Medicare coordinated or advantage plan; otherwise, coverage may be cancelled.
 - c. If your spouse is covered by a County-sponsored medical and/or dental plan and predeceases you, you must notify the County's Employee Benefits Office in order to update your monthly premium amount and stop deductions for the former spouse.

7. **Public Safety Officer Federal Income Tax Exclusion** Please note that federal tax law now allows certain retired 'public safety officers' to exclude up to \$3,000 in retirement benefit payments from their annual taxable income if the money was paid by the retirement system directly to qualified health insurance carriers to cover health insurance premium costs of the retiree. This federal income tax exclusion is found in Section 402(l) of the Internal Revenue Code. *If you believe you are an eligible for the tax exclusion, you can print a copy of the Request Form anytime by going to the SCERS Web site, www.scers.org, and clicking the following links: Important Notices – Important Information For Retired Public Safety Officers. If you already have a current Request To Receive Information Regarding Health Insurance Premiums Paid By SCERS On My Behalf Directly To Health Insurance Plans Form, you do not need to submit a new form for the 2012 calendar year.
