Message from the Chief Executive Officer

As Chief Executive Officer, I am pleased to issue the Strategic Management Plan Annual Report on behalf of the Sacramento County Employees' Retirement System (SCERS).

The Strategic Management Plan lays out a set of initiatives that advance SCERS toward our strategic goals. The six goals of the framework guide our continuous improvement, and the following pages highlight our progress in Customer Service and Experience, Stakeholder Communication and Outreach, Funding Integrity and Sustainability, Investment Planning and Growth, Organizational Development and Culture, and Enterprise Capability and Technology.

Our work in 2021 was partially affected by the challenging circumstances facing all organizations in response to the various stages of the pandemic, although through it all our focus remained fixed on member responsiveness and the improvement of service-level performance.

Some of last year's accomplishments we are most proud of include:

- Commemorating our 80th anniversary milestone throughout the year in newsletter features, branded materials, and with a large timeline to be installed in a SCERS conference room in early 2022.
- Reopening the office for member appointments, and returning to in-person Board meetings.
- Closing the gap in our funded status from 79% last year to more than 94% funded as of June 30, 2021 -- keeping the plan on track to reach fully-funded status in 20 years.

- Connecting with members and employers through retirement planning webinars, educational videos, expanded web content, and an employer forum held remotely.

As we move into a new year, we are keeping our core values at the forefront of everything we do. Such values as stewardship, communicating excellence, responsibility, and solutions, are key components in providing our members with excellent customer service, cutting-edge technology, and financial security in retirement.

Although the state of the pandemic is uncertain, what is certain is that we will continue to improve in every area to provide members with the best retirement service possible. I look forward to working hard on behalf of our members and employers in the year to come.

Respectfully submitted,

Eric Stern
Chief Executive Officer
