SCERS DISABILITY RETIREMENT PROCEDURES

ARTICLE I

GENERAL PROVISIONS

Sec. 1. Purpose

These Disability Retirement Procedures (Procedures) of the Sacramento County Employees' Retirement System (SCERS) govern the submission, review and evaluation of Applications; the adjudication of Contested Applications; and the Board's decisions on Applications and judicial review thereof, in accordance with the County Employees' Retirement Law of 1937 (Government Code Sections 31450 et seq.) (CERL), applicable case law, and SCERS Bylaws.

Sec. 2. Applicability

Upon approval by the Board, the provisions of these Procedures shall become effective on July 1, 2018, shall be applicable to all Applications submitted on or after the effective date, and to all Applications that are pending and have not been set for Hearing as of the effective date of these Procedures.

Sec. 3. Repeal of Existing Rules

Any and all previously adopted rules and procedures for the acceptance, processing or disposition of Applications are superseded and replaced in their entirety by these Procedures. However, the provisions of Chapter 5, Articles I through XIV inclusive, of SCERS Bylaws in effect on December 31, 2017, shall continue to apply to all Applications that are pending and have been set for Hearing as of the effective date of these Procedures, unless otherwise agreed by the Applicant.

Sec. 4. Definitions

Unless the context indicates otherwise, the following terms, as used in these Procedures, shall be defined as follows. Defined terms are capitalized when used in these Procedures.

“Accommodation” means any appropriate and reasonable measure that would allow the Member to perform the essential functions of his or her job, based on an individualized assessment of both the job and the physical or mental limitations of the Member, as substantiated by medical documentation.

“Applicant” means a Member of SCERS, a Participating Employer or its agents, a Member's relative, or any other person who submits an Application for disability retirement benefits under the CERL as or on behalf of a Member.

SCERS DISABILITY RETIREMENT PROCEDURES

“Application” means the Disability Retirement Application submitted to SCERS by or on behalf of a Member. Once an Application is received by SCERS, it becomes one of the following types of applications:

- a. **“Submitted Application”** means a completed and signed Application form, with or without associated documents, that has been received by SCERS.
- b. **“Completed Application”** means an Application for which all necessary medical records, documents, and other information has been received by SCERS. Once SCERS designates an Application a “Completed Application,” the Application, if eligible, may proceed to the next steps in the evaluation and decision process.
- c. **“Amended Application”** means an Application to which changes have been made, including changing, deleting, or adding a Claimed Injury or Disease, or changing the request for Service-Connected or Nonservice-Connected Disability Retirement, at any time within sixty (60) calendar days of the date SCERS issues a *Notice of Application Designation*, or upon a showing of good cause that the Applicant could not, with the exercise of reasonable diligence, have included the substance of the amendment on the Application Date of the original Application.
- d. **“Employer Application”** means an Application submitted on behalf of a Member by the Member’s Participating Employer.

“Application Date” means the date a Submitted Application is received by SCERS.

“Application Process” means the process of reviewing, evaluating and making a decision on a Completed Application.

“Board Consideration Date” means the date on which a recommended decision on an Application is submitted to the Board for action.

SCERS DISABILITY RETIREMENT PROCEDURES

“Burden of Proof” means the Applicant’s obligation to prove, by a preponderance of the evidence, each affirmative issue on which the Application depends. The Applicant bears both the initial burden of presenting evidence, and the burden of persuasion by a preponderance of the evidence. Proof by a preponderance of the evidence means that the existence or nonexistence of a fact in dispute is more likely than not.

“CERL” means the County Employees’ Retirement Law of 1937 beginning at California Government Code Section 31450.

“Claimed Injury(ies) or Disease(s)” means any physical or mental condition identified in an Application as causing a Member to be Permanently Incapacitated for the Performance of Duties.

“Discontinuation of Service” means the last date for which a Member earned Regular Compensation from a Participating Employer from which retirement contributions were deducted by SCERS.

SCERS DISABILITY RETIREMENT PROCEDURES

“Duty or Duties” means the usual and essential functions of the position last held by the Member.

“Earlier Effective Date” means an Effective Date that is earlier than the Application Date, or earlier than the day after Discontinuation of Service, which the Applicant may request by completing the appropriate section of the Application and attaching documentation showing 1) when the Member discontinued service, 2) an inability to ascertain the permanency of the Member’s incapacity at the time service was discontinued, and 3) that the Member has been continuously incapacitated since service was discontinued.

“Forensic Physician” means a medical doctor retained by the Applicant, at the Applicant’s expense, to review the medical history and condition of a Member. The Forensic Physician will typically review several years of medical records and may examine the Member if the Member chooses. The Forensic Physician will render an opinion as to the existence of any injury(ies) or disease(s), including whether the Claimed Injury(ies) or Disease(s) is or are Permanent, and if applicable, whether the Claimed

SCERS DISABILITY RETIREMENT PROCEDURES

“Nonservice-Connected Disability Retirement” (NSCDR) means a type of retirement granted by the Board to a Member with at least five (5) years of service credit when it is proven that a Member is eligible to receive a disability retirement, the Member is Permanently Incapacitated for the Performance of Duty, and the incapacity is not a result of injury(ies) or disease(s) arising out of or in the course of the Member’s employment and such employment does not or did not Substantially Contribute to the incapacity.

“Permanent Incapacity” or “Permanently Incapacitated for the Performance of Duty” means the Member’s Permanent inability to substantially perform the Duties of the job classification last held by the Member. A Member need not be unable to perform each and every Duty of the job classification, but only the usual Duties. A Member is not Permanently Incapacitated if the Duties of the job classification can be performed with Accommodation by the Participating Employer, or if the Member unreasonably refuses medical treatment (including surgery), if there is a probability that such treatment would restore the Member to capacity within a reasonable period of time and the risk of harm from such treatment would not deter a reasonable person from consenting to such treatment. The Applicant has the Burden of Proof to establish Permanent Incapacity based on a preponderance of competent medical evidence.

“Prehearing Conference Statement” means the pleading that each Party must complete and serve on the Hearing Officer and all other Parties, pursuant to the prehearing conference order issued by the State Office of Administrative Hearing in the matter (see Article V, Sec. 10).

SCERS DISABILITY RETIREMENT PROCEDURES

“Procedures” means the SCERS Disability Retirement Procedures set forth herein and approved by the Board.

“Service-Connected Disability Retirement” (SCDR) means a type of retirement granted by the Board when it is proven that the Member is eligible to receive a disability retirement, the Member is Permanently Incapacitated for the Performance of Duty, and the incapacity is a result of injury(ies) or disease(s) arising out of and in the course of the Member’s employment and such employment Substantially Contributes(ed) to the Permanent Incapacity, or where a Statutory Presumption applies.

SCERS DISABILITY RETIREMENT PROCEDURES

“Statutory Presumption” means certain illnesses or diseases specified in the CERL that, under specified conditions, are presumed to arise out of and in the course of a safety Member’s employment. A Statutory Presumption of service connection is rebuttable by other evidence.

“Withdrawal with Prejudice” as deemed by SCERS means an Application withdrawn by the Applicant after the Application is set for Hearing and for which the later submission of an Application based on the same Claimed Injury(ies) or Disease(s) is precluded.

“Withdrawal without Prejudice” as deemed by SCERS means an Application withdrawn by the Applicant at any time before the Application is set for Hearing and for which the later submission of an Application based on the same Claimed Injury(ies) or Disease(s) is allowed as a new Application provided all the requirements, including timely submission, are met.

Sec. 5. Right to Legal Representation

Any Applicant is entitled, at his/her expense, to be represented by an attorney at any or all stages of the Application Process. The attorney must be licensed to practice law in the State of California.

Before an attorney appears on behalf of a Member or Applicant, a written notice of representation shall be submitted to SCERS and served on all Parties. After a written notice of representation is received by SCERS and served on all Parties, all future notices, pleadings and correspondence shall be served upon that attorney, unless a *Notice of Withdrawal* is filed with the OAH and served on all Parties. If the attorney withdraws before a Hearing is set, the *Notice of Withdrawal* must be submitted to SCERS and served on all Parties.

The Retirement Fund is entitled to be represented by Counsel at all times related to matters in these Procedures.

SCERS DISABILITY RETIREMENT PROCEDURES

Sec. 6. Effect of Final Administrative Action

When the Board grants or denies an Application, or rules on a Member's failure to comply with the requirements of these Procedures as specified in Article I, Sec. 8, it is a Final Administrative Action and the Board's jurisdiction over the Application ends, but the matter may still be subject to judicial review.

Judicial review of a Final Administrative Action by the Board shall be subject to Code of Civil Procedure Section 1094.6, as provided by Sacramento County Code Section 1.06.020 and these Procedures. Following each Final Administrative Action, SCERS shall send to the Applicant, or the attorney therefor, *Notice of Board Decision* and information regarding the time frame for seeking judicial review.

Sec. 7. Modification or Waiver of Procedures

The Board, in its sole discretion, on a case-by-case basis and upon a showing of good cause, may modify or waive the requirements of these Procedures if the Board determines, based on the record in open session and based upon findings of fact and conclusions of law, that it is appropriate or necessary to modify or waive the requirements of these Procedures in a particular case.

Sec. 8. Failure to Comply with Requirements of Procedures

Unless a showing of good cause is made excusing a Party's failure to comply with the requirements of these Procedures, the following will apply:

- a. If the Board determines that an Applicant has submitted an incomplete Application and has failed to complete the Application pursuant to Article II within six (6) months of submitting an Application to SCERS, the Application may be Dismissed without Prejudice.
- b. If the Board determines that an Applicant failed or refused to cooperate in completing the Application and providing supporting documentation as required in Article II, the Application may be Dismissed with Prejudice.
- c. Failure of the Member to submit to medical examinations by one or more IM Examiners selected by SCERS, as prescribed in Article IV, shall be treated as noncooperation and the Application may be Dismissed with Prejudice.
- d. Failure of a Party to raise an issue in the *Prehearing Conference Statement*, as prescribed in Article V below, shall be treated as a waiver of that issue for further consideration by the Hearing Officer and/or the Board.
- e. Failure of a Party to serve a Subpoena on a witness at least fifteen (15) calendar days before the Hearing and/or to pay the witness fee as prescribed by Government Code Section 68093 shall be treated by the

SCERS DISABILITY RETIREMENT PROCEDURES

Hearing Officer and the Board as a waiver of the right to compel the attendance of that witness to the Hearing.

- f. Failure of a Party to pay the expert and Medical Witness fees, consistent with Government Code Section 68092.5 shall be treated by the Hearing Officer and the Board as a waiver of the right to compel the attendance of that expert witness to the Hearing.
- g. No testimony of a witness or documentary evidence not identified by the Parties prior to the Hearing shall be allowed into evidence at the Hearing, except as prescribed in Article V of these Procedures.
- h. Failure of the Applicant to comply with the requirements set forth in these Procedures shall be treated as non-cooperation. In that event, no Hearing shall be scheduled or conducted and the Application will be returned to the Board. If the Board subsequently determines that the Applicant did not cooperate with these Procedures, the Application may be Dismissed with Prejudice.

Before applying any of the consequences described herein, the Board will make a written record of its findings of fact and conclusions of law, which support the imposition of any consequences. Any consequences imposed pursuant to this section shall be a Final Administrative Action subject to judicial review, as provided in Article VIII.

ARTICLE II

APPLICATION AND SUPPORTING DOCUMENTATION

Sec. 1. Overview

- a. **Application** – The processing of a request for disability retirement benefits requires that the Member, or other individual on behalf of the Member, first submit an Application that satisfies the requirements of Article II, Sec. 2. Application forms and related materials may be obtained by visiting SCERS website at www.scers.org or contacting SCERS by phone, mail, or in person.
- b. **Additional Medical Records from the Applicant** – After the Application is submitted to SCERS, it is the Applicant's responsibility to arrange for the medical records and reports that SCERS requires in making a decision on the Application to be submitted to SCERS directly by the keeper or custodian of such records (Article II, Sec. 10).
- c. **Forms and Records from the Participating Employer** – After the Application is submitted to SCERS, SCERS will request that the Participating Employer submit the Job Description applicable to the Member and an assessment of whether any limitations prescribed for the Member by a physician can be accommodated by the Participating Employer.
- d. **Other Medical Records Obtained by SCERS** – After the Application is submitted to SCERS, SCERS will receive and/or obtain medical records from the Member's Medical Providers, Participating Employer, and Workers' Compensation files. When SCERS has deemed the Application a Completed Application, SCERS may request a Medical Advisor review the medical records and provide a *Report and Recommendation* to the SCERS Board. In certain circumstances, in order to assist the Medical Advisor in making a *Report and Recommendation*, the Medical Advisor may request that the Member submit to one or more IMEs.

Sec. 2. Form and Content of Completed Disability Retirement Application

An Application must be based upon a Member's claimed Permanent Incapacity for the Performance of Duty. The Completed Application and supporting documentation must identify the nature of the Claimed Injury(ies) or Disease(s) that is or are the basis for the Application.

SCERS DISABILITY RETIREMENT PROCEDURES

b. Applications Submitted More than Four (4) Months after Discontinuation of Service

The Board has determined that Applications submitted more than four (4) months from Discontinuation of Service may prejudice the Board's ability to provide the Applicant due process and to make a fair decision on the Application. Therefore, if the Application Date is more than four (4) months after Discontinuation of Service or more than four (4) months after the expiration of any period during which a Statutory Presumption is extended beyond the Discontinuation of Service, then the Applicant must supply additional information with the Application in the form of one of the options below. SCERS will not accept any Application that is submitted more than four (4) months after Discontinuation of Service that fails to provide this additional information.

1. Option 1 – Examining Physician – A statement by the Member's Examining Physician indicating that the Examining Physician has continuously treated the Member from Discontinuation of Service to the Application Date. The statement must indicate that the Member has been continuously physically and/or mentally incapacitated for the performance of Duty from Discontinuation of Service to the Application Date. Copies of all of the Examining Physician's records of medical treatment for the Member during the time period must be provided, and the medical records must demonstrate the Examining Physician treated the Member for the entire period from Discontinuation of Service to the Application Date.
2. Option 2 – Forensic Physician – A statement by a Forensic Physician that the Forensic Physician has examined the Member and reviewed the Member's medical records from Discontinuation of Service to the Application Date, and the Forensic Physician's opinion that the Member has been continuously physically and/or mentally incapacitated for the performance of Duty during that period. Copies of all medical records that the Forensic Physician relied upon to render such an opinion must be provided with the statement.

c. Termination for Cause or Withdrawal of Contributions

Termination of a Member's employment for cause or a Member's informed decision to withdraw the Member's accumulated contributions from SCERS prior to submitting an Application extinguishes that Member's right to claim or receive a disability retirement benefit from SCERS.

SCERS DISABILITY RETIREMENT PROCEDURES

Sec. 4. Request for Expedited Administrative Review

An Applicant may submit a *Request for Expedited Administrative Review* along with the Application where there are certain extenuating, circumstances, such as the Member has suffered a catastrophic disabling event or has been medically diagnosed with a terminal illness. The *Request for Expedited Administrative Review* must include the specific grounds and supporting medical evidence for the request.

SCERS' Chief Benefits Officer, in consultation with General Counsel and the Medical Advisor, shall review the request and have discretion to act in his or her discretion to expedite review and disposition of the Application as he or she determines is appropriate, including without limitation recommending the Board grant the Application.

Sec. 5. SCERS Notice of Application Designation

An Application will not be accepted by SCERS for purposes of Government Code Sections 31721 through 31724, inclusive, or otherwise, until it complies, at a minimum, with the requirements of this Article II.

a. Submitted Application

SCERS will receive any Application submitted, but for purposes of review only, noting the date of receipt. If SCERS determines that the Submitted Application is not complete, then SCERS will issue a *Notice of Application Designation* as "incomplete" to the Applicant within thirty (30) calendar days the Application Date.

The notice will specifically identify the deficiencies in the Submitted Application which must be resolved by the Applicant within sixty (60) days. A Submitted Application will be dismissed in part as to any Claimed Injury(ies) or Disease(s) not specifically supported by an Examining Physician or Forensic Physician report. In that case, SCERS will evaluate the Application based solely upon the Claimed Injury(ies) or Disease(s) that are supported.

b. Completed Application

If SCERS determines that the Submitted Application is complete, SCERS will issue a *Notice of Application Designation* as "complete" to the Applicant within thirty (30) calendar days specifying the Claimed Injury(ies) or Disease(s) that form the basis of the Application and that will be evaluated in making a determination to grant or deny the Application.

SCERS DISABILITY RETIREMENT PROCEDURES

To be considered a Completed Application, the following requirements must be met:

1. Member is eligible for disability retirement benefits (e.g., the Application was timely submitted, the Member has not been terminated for cause, and the Member has not withdrawn accumulated contributions);
2. All pages of the Application are legible, intact and in order;
3. All Application questions are answered and all responses to questions are legible;
4. The Applicant's claim for disability retirement is stated clearly in sufficient detail;
5. All required reports, forms, and documents are included, completed legibly, and signed if required. All relevant medical documents, as determined by SCERS, are included, with at least one report from an Examining Physician or Forensic Physician reviewing the Member's medical records and stating that the Member is Permanently Incapacitated for the Performance of Duty;
6. The *Authorization and Release of Medical and Other Information* form completed, dated, and signed by the Member is included.

c. Accepting or Dismissing Applications

SCERS will accept and process an Application that is submitted within the time period(s) specified in Article II, Sec. 3(a), if complete as determined by these Procedures, and not barred as specified in Article II, Sec. 3(c). SCERS will reject any Application that is not submitted timely, that is barred, or for which the additional information required is not timely received by SCERS.

If the deficiencies of a Submitted Application are not cured by the Applicant within six (6) months of the Application Date, whether due to the Applicant's noncooperation or failure to demonstrate good cause for delay as determined by SCERS in its sole discretion, the Application will be submitted to the Board with a staff recommendation. If the Board determines in its sole discretion that the Application is incomplete, the Application will be Dismissed without Prejudice in its entirety.

A dismissal by the Board is a Final Administrative Action subject to

SCERS DISABILITY RETIREMENT PROCEDURES

judicial review, as provided in Article VIII.

If the Board determines that the Application is complete and that there is no prejudice to the Board's ability to provide due process and make a decision on the Application, then the Application will be accepted and processed.

Sec. 6. Amending an Application

An Applicant may amend an Application for purposes of changing, deleting, or adding a Claimed Injury or Disease, or to change the request for Service-Connected or Nonservice-Connected Disability Retirement, by submitting an Amended Application at any time within sixty (60) calendar days of the date SCERS issues the *Notice of Application Designation*. If the notice designates the Application as "complete," the Applicant may waive the sixty (60) calendar day amendment period, and SCERS will proceed to assemble the Medical Advisor catalog pursuant to Article II, Sec. 12.

No Amended Application submitted more than sixty (60) calendar days after the *Notice of Application Designation* is issued shall be accepted by SCERS, except for good cause by finding that the Applicant could not, with the exercise of reasonable diligence, have included the substance of the Amendment on the Application Date of the original Application.

SCERS may reject for lack of good cause an Amended Application submitted to SCERS more than sixty (60) calendar days after the *Notice of Application Designation* is issued. The Applicant may appeal SCERS' decision to the Board. The Applicant has the burden of proving by a preponderance of the evidence good cause for the late submission of the Amended Application. If the Board determines that there is good cause for the late submission, the Amended Application will be accepted. Otherwise, the Amended Application will be rejected by the Board, and may be Dismissed with Prejudice, and the original Application will be processed without amendment.

In any case, when SCERS accepts an Amended Application, the Amended Application shall be processed in accordance with these Procedures as if it were submitted on the original Application Date.

Sec. 7. Application Withdrawal

An Applicant may withdraw an Application at any time before the Board takes a Final Administrative Action on the Completed Application.

If an Application is withdrawn before the Application is set for Hearing, it is deemed a Withdrawal without Prejudice.

SCERS DISABILITY RETIREMENT PROCEDURES

If an Application is withdrawn after the Application is set for Hearing, it is deemed a Withdrawal with Prejudice, which means that all rights attached to the Application, including the right to a Hearing and the right to judicial review, are forfeited, and that the Application cannot be reinstated and is irrevocably waived. When an Applicant or Member fails to comply with these Procedures, fails to submit required documents, fails to cooperate, or fails to respond timely to requests for information, the Application may be administratively Dismissed with or without Prejudice as provided by these Procedures.

Sec. 8. Continuation of Application After Member's Death

In the event a Member with a pending Application dies before a final decision on the Application is made, the Member's surviving spouse or, if none, the guardian of the Member's minor children, if any, may continue the Application by notifying SCERS in writing within ninety (90) calendar days of the date of the Member's death. If no written notice is filed timely with SCERS, the Application will be Dismissed with Prejudice.

Sec. 9. Application Process: SCERS' Role; Applicant Communications

SCERS serves as the administrator of the Application Process. SCERS' Disability Retirement Unit staff will meet with an Applicant in person or by telephone to review the Application form, process, requirements, and instructions; respond to Applicant questions; monitor and follow-up on the status of SCERS' receipt of medical records and the review and evaluation of the Application; and ensure the process is completed in accordance with applicable law, SCERS Bylaws, policies, and these Procedures.

SCERS may require an Applicant to respond to SCERS' requests for additional information or documents at any time during the Application Process. Communication between SCERS and the Applicant may be an in-person meeting, by telephone, by written letter, or by electronic mail.

Sec. 10. Medical Records and Reports

a. Provided by Applicant

Unless otherwise instructed by SCERS, the Applicant shall arrange for copies of any and all medical records and reports from all Medical Providers, including all Examining Physicians, which pre-date and were prepared within five (5) years of the Submitted Application Date, or within five (5) years of Discontinuation of Service through the Application Date, whichever is longer in time, to be sent directly by the Medical Providers to SCERS at the Applicant's expense. Such records and reports need not include any medical records contained in any file resulting from any claim filed by the Applicant or Member for Workers' Compensation if otherwise made available to SCERS. Medical

SCERS DISABILITY RETIREMENT PROCEDURES

The Applicant shall also arrange for any and all medical records and reports prepared by any Medical Provider from which the Member receives a consultation, diagnosis, or treatment after SCERS issues a *Notice of Application Designation as "complete."* The medical records and reports are to be sent directly by the Medical Provider to SCERS at the Applicant's expense.

In addition, the Applicant shall cooperate with SCERS in obtaining any and all medical records and reports independently requested by SCERS in its sole discretion, by Subpoena or otherwise, at SCERS' expense.

b. Obtained by SCERS

Based upon the *Authorization and Release of Medical and Other Information* form signed by the Member, SCERS may obtain other medical records, Workers' Compensation records, and Participating Employer records related to the Member's Claimed Injury(ies) or Disease(s). Any medical and related records so obtained will be included in the Disability Catalog for the Application.

Sec. 11. Participating Employer Forms and Records

Within thirty (30) calendar days of issuing a *Notice of Application Designation as "complete,"* SCERS will request from the Participating Employer any relevant Workers' Compensation records applicable to the Member's position and the Claimed Injury(ies) or Disease(s).

Sec. 12. Disability Catalog (or "Medical Advisor Catalog")

At this stage of the process, the Disability Catalog may also be referred to as the "Medical Advisor Catalog" and will include, but is not limited to, the Completed Application and the documents described in Article II.

Sec. 13. Augmenting the Disability Catalog

Once the sixty (60) calendar day period for amending the Application concludes, or earlier if the amendment period is waived in writing by the Applicant, SCERS will assemble the Medical Advisor Catalog and send a copy to the Member for review. The Member will have thirty (30) calendar days to augment the Medical Advisor Catalog if desired.

SCERS DISABILITY RETIREMENT PROCEDURES

Sec. 14. Medical Advisor Report

SCERS may retain a Medical Advisor to review the Disability Catalog and provide a written *Report and Recommendation* on the Application to the Board.

Sec. 15. Independent Medical Examiner Report

The Medical Advisor may recommend, or SCERS may directly require, the Member submit to one or more IMEs. The subsequent *IM Examiner Report*, if any, will be included in the Disability Catalog.

Sec. 1. Medical Advisor

The Board may appoint one or more Medical Advisors to assist on medical matters related to Applications. Medical Advisors appointed by the Board shall be medical doctors or doctors of osteopathy with a current, valid license to practice in the State of California.

Sec. 2. Medical Advisor Review

After SCERS issues a *Notice of Completed Application*, the Disability Catalog may be submitted to a Medical Advisor for review.

Within forty-five (45) calendar days of receipt of the Disability Catalog, which time limit may be reasonably extended by SCERS for good cause, the Medical Advisor will either:

- a. Complete a review of the Disability Catalog and provide a *Report and Recommendation* to SCERS that addresses the following issues, as applicable, in recommending a decision on the Application:

SCERS shall send to the Applicant, and the Member if other than the Applicant, a *Notice of Referral for IME* containing the name, address, phone number and date of the Member's appointment with an IM Examiner. If the Member is unable to keep an IME appointment, the Applicant, or the Member if other than the Applicant, shall notify SCERS at least ten (10) calendar days prior to the scheduled IME appointment so as to avoid any cancellation fees. Failure to do so may result in the Member being assessed cancellation fees, as determined by the assigned IM Examiner's fee schedule.
- c. If the location of the IME is neither in Sacramento County, nor the county in which the Member currently resides, the Applicant may submit a written request to SCERS that SCERS reimburse the Member for reasonable travel expenses. SCERS DISABILITY RETIREMENT PROCEDURES

The Member then will have thirty (30) calendar days from the date the *Notice of Noncooperation* is issued to agree to an examination date for the IME(s). If the Member fails to attend the scheduled IME(s) within one hundred twenty (120) calendar days of the date the *Notice of Noncooperation* is issued, then staff will recommend the Application be Dismissed, potentially with prejudice, by the Board at its next regularly scheduled meeting.

Sec. 4. IM Examiner's Report

Within forty-five (45) calendar days after the date of the Member's IME, the IM Examiner will provide a report to SCERS that addresses the following issues in recommending a decision on the Application:

recommendation to the Board to either grant or deny the Application on the basis of the report, and include a copy of the report. A copy of the notice will be provided to all Parties.

If staff recommends that an Application be denied on the basis of the report received, a Party may request a Hearing or Record Review as provided in Sec. 6 below.

The Member shall be entitled to receive copies of any and all records provided to the Board for the purpose of making a determination on the Application, except that in the case of psychiatric or psychological records of a sensitive nature where a treating Medical Provider, a Medical Advisor, or IM Examiner so advises, SCERS will not provide such records directly to the Member, but shall provide them to the Member's attorney or, if the Member is not represented, to the Member's treating Medical Provider and inform the member in writing.

Sec. 6. Request for Hearing or Record Review

Should any Party wish to contest the recommendation and request a Hearing before, or alternatively a Record Review in lieu of a Hearing by, a Hearing Officer, that Party must complete, sign, and submit a *Request for Hearing or Record Review* form to SCERS within twenty (20) calendar days of the date the *Notice of Recommended Decision* is issued to the Parties.

The Party may request one extension of time of not more than fifteen (15) calendar days to submit the completed *Request for Hearing or Record Review* form to SCERS.

Sec. 7. Notice of Board Consideration Date

If no *Request for Hearing or Record Review* form or request for extension is received by SCERS within twenty (20) calendar days, the matter will be submitted to the Board with a recommended decision on the Application based on the Medical Advisor's *Report and Recommendation* and/or the *IM Examiner's Report* at an upcoming regularly scheduled Board meeting that is at least twenty-five (25) calendar days in the future. The Board Catalog will include the Medical Advisor's *Report and Recommendation* and the *IM Examiner's Report*, if any. SCERS will send a *Notice of Board Consideration Date* to the Member, and to the Applicant if other than the Member, or to the attorney(s) therefor, not less than twenty-five (25) calendar days prior to the Board Consideration Date, unless the Applicant submits a *Waiver of Notice for Board Consideration* to SCERS.

Within thirty (30) calendar days of a timely request for a Hearing or Record Review, SCERS shall provide a *Notice of Referral to Hearing or Record Review* to each Party along with a copy of the Disability Catalog. At this stage of the process the Disability Catalog is referred to as the "Hearing Catalog" and includes any additional documents created or received since the referral of the Application to the MA.

If supplemental documents are timely received, or allowed late upon a showing of good cause, SCERS will appropriately identify the supplemental documents, include them in the final Hearing Catalog, and distribute an updated index and copies of any supplemental documents to the Parties. SCERS will also distribute a copy of the final Hearing Catalog to OAH.

SCERS DISABILITY RETIREMENT PROCEDURES

Sec. 4. Request to Set Hearing and Statement of Issues

No sooner than thirty (30) calendar days after SCERS issues the *Notice of Referral to Hearing*, Counsel for the Retirement Fund shall make a reasonable effort to coordinate mutually acceptable Hearing dates with the Member, and the Applicant, if other than the Member, or the attorney(s) therefor.

The *Request to Set Hearing* and *Statement of Issues* will be served on all Parties or their attorneys.

The hearing must be held no later than one hundred twenty (120) calendar days after the date that the *Request to Set Hearing* is filed with OAH, unless a later date is approved by SCERS' Chief Benefits Officer upon receiving a written request and a showing of good cause for an extension of time.

Sec. 5. Request for Record Review in Lieu of a Hearing and Statement of Issues

Not less than thirty (30) calendar days after SCERS issues the *Notice of Referral to Record Review*, Counsel for the Retirement Fund will make a reasonable effort to coordinate a mutually acceptable written briefing schedule.

Counsel for the Retirement Fund will also file a *Statement of Issues* with OAH setting forth the legal and/or factual issues to be addressed in the Record Review, which will be served on all Parties or their attorneys.

In a Record Review, the Applicant will submit the first written brief; SCERS will then submit its written response; and, the Applicant will submit the final written brief. The written briefing by the Parties must be completed within ninety (90) calendar days after the *Request to Set Record Review* is filed with OAH, unless a later date is approved by SCERS' Chief Benefits Officer upon receiving a written request and a showing of good cause for an extension of time.

SCERS DISABILITY RETIREMENT PROCEDURES

The Hearing Officer assigned to conduct the Record Review shall issue a *Proposed Findings of Fact and Recommended Decision* to the Board no later than thirty (30) calendar days after the final written brief is submitted to OAH and the record is closed.

In the *Proposed Findings of Fact and Recommended Decision*, the Hearing Officer shall make findings and recommendations on the Contested issues set out in the Statement of Issues.

Sec. 6. Protective Order Sealing Confidential Records

Pursuant to Government Code section 31532, Member records are confidential. Therefore, Counsel for the Retirement Fund will contact and advise the Applicant of the availability of seeking a protective order.

After the prehearing and Hearing dates, or written briefing schedule for a Record Review, have been set, and in no case less than three (3) calendar days before the prehearing conference or the date for submission of an Applicant's opening brief in a Record Review, Counsel for the Retirement Fund will submit a Request for Protective Order Sealing Confidential Records and a proposed Protective Order Sealing Confidential Records to OAH.

Sec. 7. Hearing Officers

Any Party requesting a continuance may be ordered to bear any and all direct costs resulting from the grant of a continuance.

Sec. 10. Prehearing Conference Statements

At least three (3) calendar days prior to the scheduled prehearing conference, each Party shall file a *Prehearing Conference Statement* with OAH pursuant to the Notice of Hearing and Prehearing Conference issued by OAH. *Prehearing Conference Statements* will generally include:

Any Party intending to directly examine or cross-examine a physician disclosed in the Hearing Catalog or supplemental documents must include that intention in that Party's *Prehearing Conference Statement* or at the prehearing conference. It is then that Party's responsibility to assure the attendance of that physician at the Hearing by Subpoena or otherwise, or the right to examine or cross-examine that physician at Hearing shall be deemed to be waived, unless a showing of a good cause for the Party's failure to do so is found by the Hearing Officer.

The failure of a Party to identify any new evidence, or list any witness, in that Party's *Prehearing Conference Statement* shall preclude the introduction of that evidence at the Hearing, including any written medical report, unless permitted

SCERS DISABILITY RETIREMENT PROCEDURES

Sec. 12. Depositions

The Parties may depose witnesses prior to the Hearing, but are not required to do so. Depositions of witnesses for any purpose shall take place at least ten (10) business days before the Hearing, unless otherwise stipulated by the Parties. The Party requesting the oral testimony of a healthcare provider shall contact the healthcare provider's office and determine that person's reasonable and customary hourly fee and shall advise the Medical Witness' office of the anticipated length or duration in hours or portions thereof for the Deposition or Hearing.
 3. Failure to serve a Subpoena and/or pay the prescribed expert witness fee shall be treated by the Hearing Officer and Board as a waiver of the right to question such witness.

Sec. 13. Subpoenas and Service of Process

Pursuant to SCERS Bylaws:

- a. The Board President, SCERS' Chief Executive Officer, or an attorney representing a Party are authorized to issue and sign Subpoenas relating to the investigation of any Application or the Hearing of any Application by the Board.
- b. Any Hearing Officer assigned to hear an Application is authorized to issue and sign Subpoenas relating to the adjudication of that Application.

Subpoena forms are available, and may be requested, from the Hearing Officer and/or OAH for that purpose.

SCERS DISABILITY RETIREMENT PROCEDURES

The Parties are responsible for properly serving Subpoenas, and service on witnesses shall be completed no later than fifteen (15) calendar days before the date that a Hearing is to commence. Proof of service of Subpoenas shall be made in compliance with applicable laws. If the witness so agrees, a Subpoena may be served electronically.

SCERS DISABILITY RETIREMENT PROCEDURES

ARTICLE VI HEARING PROCEDURES

Sec. 1. Purpose

The purpose of this Article is to set the rules and procedures for Hearings.

Sec. 2. Time and Place of the Hearing

The date, time and location of the Hearing will be set by OAH pursuant to the *Request to Set Hearing*, and notice thereof will be served on the Parties by OAH. Within ten (10) calendar days of receipt of that information, SCERS shall prepare and send to all other Parties or their attorneys a *Notice of Hearing* and file a proof of service of same with the OAH.

Unless approved by SCERS in writing, the Parties may not agree, nor the Hearing Officer order, that the Hearing date be extended past one hundred twenty (120) calendar days from the date the *Request to Set Hearing* was filed with OAH.

If an Applicant fails to attend the scheduled Hearing, the matter will proceed as a default Hearing and may result in a denial of the Application based on the documentary evidence contained in the Disability Catalog, or dismissal of the Application entirely for failure to prosecute.

Sec. 3. Record of the Hearing

All Hearings before a Hearing Officer shall be audio recorded. A written transcript will be made upon the request of a Party. The cost of the transcript shall be paid by the requesting Party, or be shared equally by all requesting Parties.

Sec. 4. Jurisdiction of the Hearing Officer

Upon assignment pursuant to Article V, the Hearing Officer shall have jurisdiction to rule on all issues related to the evidentiary proceeding; i.e., admissibility of evidence, witnesses, Depositions, Subpoenas, continuances, and prehearing matters, as long as such rulings are consistent with the requirements of these Procedures. However, the Hearing Officer may not extend the time to complete the Hearing and provide a Proposed Decision and Recommended Decision beyond two hundred (200) calendar days after the date the *Request to Set Hearing* form was submitted to OAH, unless a later date is approved by SCERS' Chief Benefits Officer upon receiving a written request and a showing of good cause for an extension of time.

SCERS DISABILITY RETIREMENT PROCEDURES

Sec. 5. Hearing Proceedings

Unless otherwise ordered by the Hearing Officer, Hearings will generally proceed as follows:

- a. The Hearing Officer shall call the case and ask for appearances by or for all Parties, which shall be recorded. After all of the appearances are made, the Hearing Officer will describe the documentary file submitted as evidence for the Hearing and ensure that all Parties have identical document sets.
- b. The Hearing Officer will review issues, motions or objections regarding evidence, proposed witnesses, or any other matter that may have arisen since the prehearing conference. The Hearing Officer will invite argument from the Parties, and the Hearing Officer will rule on these matters as soon as practical.
- c. Once all preliminary matters have been addressed, the Parties may make opening statements, orally or in writing, except the Retirement Fund may delay its opening statement until after the Applicant's presentation of evidence.
- d. The Applicant's full presentation, including any witness testimony, is given. During this presentation, the Hearing Officer and Counsel for the Retirement Fund have the right to cross-examine any testifying witnesses.
- e. The Retirement Fund's full presentation, including any witness testimony, is given. During this presentation, the Hearing Officer and the Applicant have the right to cross-examine any testifying witnesses.
- f. Rebuttal evidence may then be presented in the same order.
- g. Applicant's closing arguments are made orally followed by the Retirement Fund's closing oral arguments. Upon the request of any Party or by order of the Hearing Officer, the closing arguments may be made in writing and submitted by all Parties concurrently to the Hearing Officer not later than sixty (60) calendar days after the close of the Hearing. Thereafter, the Parties will have fifteen (15) calendar days to file briefs in reply to the opposing Party's written closing arguments.

Sec. 6. Conduct of the Hearing

- a. Parties' Rights - Each Party shall have the following rights:
 1. To call and examine witnesses identified;
 2. To introduce exhibits; and,

SCERS DISABILITY RETIREMENT PROCEDURES

3. To cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination.
- b. Applicant Testimony - If the Applicant does not testify, the Applicant may be called and examined as if under cross-examination. Refusal of the Applicant to submit to examination for the purpose of answering relevant questions may result in the Application being denied or dismissed.
- c. Exclusion of Witnesses/Observers - At the request of any Party, non-Party witnesses who are not designated as expert witnesses may be excluded from the Hearing, except while testifying. The Hearing shall be closed to the public to protect the confidentiality of the evidence presented unless the right to a closed Hearing is waived by the Member.

Sec. 7. Burden of Proof

The Applicant, whether a Member of SCERS, a Participating Employer or its agents, a Member's relative, or any other person who submits an Application for disability retirement benefits has the obligation to prove, by a preponderance of the evidence, each affirmative issue on which the Application depends. The Applicant bears both the initial burden of presenting evidence, and the burden of persuasion by a preponderance of the evidence. Proof by a preponderance of the evidence means that the existence or nonexistence of a fact in dispute is more likely than not.

Sec. 8. Rules of Evidence

The Hearing need not be conducted according to technical rules of evidence. Any relevant evidence may be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule that might make improper the admission of such evidence over objection in civil actions. The rules of privilege shall apply to the extent that they are otherwise required by statute. Irrelevant, immaterial, and unduly repetitious evidence shall be excluded.

- a. Hearsay – Hearsay evidence may be used for the purpose of supplementing or explaining other evidence, but shall not be sufficient in itself to support a finding, unless it would be admissible over objection in civil actions, except as otherwise provided in this Section.
- b. Judicial Notice – The Hearing Officer may take judicial notice of evidence as provided in the Evidence Code Sections 450 et seq.

SCERS DISABILITY RETIREMENT PROCEDURES

- c. Medical Reports – The use of written medical reports is favored. Any written medical report shall be admitted into evidence as if the witness had testified at the Hearing, subject to the right of any Party to cross-examine the witness.

It shall be the responsibility of any Party intending to cross-examine a physician to Subpoena, or otherwise arrange for the attendance of, that physician at a Deposition before the Hearing date, and to arrange to pay for any costs and fees required to be paid for such appearance at Hearing.

A written medical report bearing the signature of a Medical Provider may be admissible in evidence as the author's direct testimony and may support findings made by the Hearing Officer. Such medical reports shall not be inadmissible on the basis that they constitute hearsay. Such medical reports, when offered as expert opinions, shall not be inadmissible on the basis that the author of the medical report did not attend the Hearing or was called as a percipient witness and not as an expert witness. However, medical reports not identified in a Party's *Prehearing Conference Statements* will not be allowed into evidence at the Hearing.

- d. Depositions – Deposition testimony may be admissible in evidence.
- e. Affidavits – Affidavits or declarations under penalty of perjury shall be admitted into evidence as if the witness had testified at the Hearing, if copies have been provided to the Parties with the *Prehearing Conference Statement*. The witness must be produced at the Hearing for cross-examination if any Party so notifies the Party offering the affidavit or declaration at least ten (10) calendar days in advance of the Hearing date, or the affidavit or declaration shall be considered only as hearsay, except as otherwise provided in these Procedures.
- f. Stipulations – A stipulation, agreement, understanding, finding, order, act or omission on behalf of a Participating Employer, or by an officer, employee or agent thereof, in a Workers' Compensation or other proceeding to which neither the Board or SCERS is a party, may be offered into evidence but shall not be binding upon the Board or SCERS insofar as the stipulation, agreement, understanding, act or omission, may be asserted to relate to disability retirement or to the disposition of a particular Application for disability retirement, unless the stipulation, agreement, understanding, act or omission has been approved by the Board through a duly-adopted resolution or motion which has been recorded in the official minutes of the Board.

SCERS DISABILITY RETIREMENT PROCEDURES

- g. Testimony of Witnesses Not Listed In Prehearing Conference Statements – A witness not identified in a Party's *Prehearing Conference Statement* as a potential witness should not be allowed to testify at the Hearing, unless a showing of good cause is made by the Party calling the witness.
- h. Oral Evidence – Oral evidence shall be taken only upon oath or affirmation. The Hearing Officer may limit or exclude oral evidence that is irrelevant or unduly repetitious.

Sec. 9. Ex-Parte Communications Prohibited

There shall be no Ex-Parte Communication between any Party, or any attorney therefor, and any member of the Board or the assigned Hearing Officer as to an Application while the Application is pending and before the Board's Final Administrative Action.

Sec. 10. Proposed Findings of Fact and Recommended Decision

The Hearing Officer shall provide a *Proposed Findings of Fact and Recommended Decision* to the Board within thirty (30) calendar days after the date the record is closed and the case is submitted for ruling.

In the *Proposed Findings of Fact and Recommended Decision*, the Hearing Officer shall make findings and recommendations on the Contested issues set out in the *Statement of Issues*.

Sec. 11. Service of Proposed Findings of Fact and Recommended Decision and Notice of Period for Filing Objections

Following SCERS' receipt of the Hearing Officer's *Proposed Findings of Fact and Recommended Decision*, SCERS will issue to all other Parties:

- a. *The Proposed Findings of Fact and Recommended Decision*
- b. *A Notice of Period for Filing Objections*
- c. *A Notice of Board Consideration Date*

Sec. 12. Objections

Each Party may serve written objections to the *Proposed Findings of Fact and Recommended Decision* to the Board within ten (10) calendar days of service of the *Proposed Decision* by SCERS. Copies of the objections shall be submitted to SCERS and served on the other Parties or their attorneys. The other Parties or their attorneys shall have ten (10) calendar days to submit and serve a written reply in the same manner. The objections and any replies shall be included in the Board Catalog. Late objections will not be accepted or incorporated in the record to be considered by the Board.

SCERS DISABILITY RETIREMENT PROCEDURES

Sec. 13. Notice of Board Consideration Date

Not less than twenty-five (25) calendar days after SCERS's issues the *Notice of Board Consideration Date*, the Application will be submitted to the Board for consideration and action. The Board Catalog, as defined, will also include the Hearing Officer's *Proposed Findings of Fact and Recommended Decision*, along with written objections, if any, and written responses thereto, and a legal review prepared by General Counsel.

SCERS DISABILITY RETIREMENT PROCEDURES

ARTICLE VII BOARD CONSIDERATION

Sec. 1. Purpose

The purpose of this Article is to establish rules for the Board's consideration of a staff recommendation, a Medical Advisor's *Report and Recommendation*, an *IM Examiner's Report*, or a *Proposed Findings of Fact and Recommended Decision* from a Hearing Officer in making a decision on an Application.

Sec. 2. Scheduling

If no timely *Request for Hearing or Record Review* form is received by SCERS as provided in Article IV, Sec. 6, the Medical Advisor's *Report and Recommendation* and/or *IM Examiner's Report* will be placed on the consent agenda for an upcoming regularly scheduled Board meeting that is at least twenty-five (25) calendar days in the future.

If the matter was assigned to a Hearing Officer, the *Proposed Findings of Fact and Recommend Decision* along with written objections, if any, and a legal review prepared by General Counsel will be included in the Board's consent agenda for an upcoming regularly scheduled meeting to be held after the time for filing written objections has passed.

SCERS will send a *Notice of Board Consideration Date* and a copy of the Board Catalog, excluding any attorney-client privileged writing, to the Member, and to the Applicant if other than the Member, or to the attorney(s) therefor, not less than twenty-five (25) calendar days prior to the Board Consideration Date, unless the Applicant submits a *Waiver of Notice for Board Consideration* to SCERS.

Sec. 3. Ex-Parte Communications Prohibited

There shall be no Ex-Parte Communication between any Party, or any attorney therefor, and any member of the Board as to an Application while the Application is pending and before the Board's Final Administrative Action.

Sec. 4. Addressing the Board

A Party or the Party's attorney may address the Board concerning the recommendation on the Application during the public comment period of the Board meeting, as provided in the Board's agenda, subject to any reasonable time limitations imposed by the Board President. A Party's or attorney's statements shall be made in open session, unless the Party or attorney requests a closed session for the purpose of protecting the confidentiality of any information to be provided to the Board. No new evidence may be presented or considered.

SCERS DISABILITY RETIREMENT PROCEDURES

Sec. 5. Board Deliberation in Closed Session

Any member of the Board may request that an Application be removed from the Board's consent agenda for further deliberation in closed session with the Board's General Counsel. Deliberation in closed session shall not include any Party or any Party's attorney who was present or represented during the Hearing. Any decision of the Board made in closed session will be reported when the Board reconvenes in open session.

Sec. 6. Board's Disposition of Application

- a. If the Board is considering a *Medical Advisor's Report and Recommendation* and/or an *IM Examiner's Report*, the Board shall:
 1. Approve and adopt the recommendation to grant or deny the Application; or
 2. Refer the matter back to the Medical Advisor and/or IM Examiner with instructions for further review; or
 3. Set the matter for a Hearing before a Hearing Officer.
- b. If the Board is considering a *Proposed Findings of Fact and Recommended Decision* of a Hearing Officer, along with written objections, if any, and written responses thereto, and a legal review prepared by General Counsel, the Board shall either:
 1. Approve and adopt the *Proposed Findings of Fact and Recommended Decision* of the Hearing Officer to grant or deny the Application;
 2. Refer the matter back to the Hearing Officer with instructions for further review and/or proceedings;
 3. Require a transcript or summary of all the testimony, plus all other evidence received by the Hearing Officer. Upon receipt thereof, the Board shall take such action as in its opinion is indicated by such evidence; or,
 4. Set the matter for hearing before itself using the same procedures applicable to Hearings by a Hearing Officer insofar as possible. At such hearing the Board shall hear and decide the matter as if it had not been assigned to a Hearing Officer.

SCERS DISABILITY RETIREMENT PROCEDURES

Sec. 7. Notice of Board Decision

SCERS will send a *Notice of Board Decision* on the Application to the Parties or their attorneys within ten (10) calendar days of the date the Board's decision was made or reported in open session. Such decision is a Final Administrative Action of the Board subject to judicial review as provided in Article VIII. The notice shall include the following statement regarding judicial review:

“Pursuant to the Board of Retirement's Disability Retirement Procedures, action to seek judicial review of this decision is governed by the provisions of Section 1094.6 of the Code of Civil Procedure of the State of California. You are advised that any such petition must be filed not later than the ninetieth (90th) calendar day following the date this written notice of the Board's decision was sent by SCERS.”

Included with this notice will be a copy of the text of California Code of Civil Procedure section 1094.6 and Chapter 1.06 of the Sacramento County Code related to the judicial review of administrative decisions, as required by Section 1.06.040 of the Sacramento County Code.

SCERS DISABILITY RETIREMENT PROCEDURES

ARTICLE VIII JUDICIAL REVIEW

Sec. 1. No Reconsideration of a Final Administrative Action

Except as otherwise provided in this Article, the Board's decision to grant or deny, in whole or in part, any disability retirement Application shall be deemed a Final Administrative Action on any and all issues raised by the Application and presented to SCERS staff, to a Medical Advisor and/or IM Examiner, to a Hearing Officer, or to the Board, or that could have been presented with the exercise of reasonable diligence. There shall be no reconsideration of a Final Administrative Action.

Sec. 2. No Renewed Application

If the board denies an Application, no new Application based upon the same or similar Claimed Injury(ies) or Diseases(s) may be filed, in whole or in part, nor on the basis of any other Claimed Injury(ies) or Diseases(s) about which the Member, or Applicant if other than the Member, knew, or should have known, at the time of the denied Application, unless all of the following conditions are met:

- a. The Member continues in, or returns to, active service;
- b. In addition to the information required in the Member's Examining Physician Report (Article II, Sec. 2,b), the Applicant provides a written opinion signed by a licensed physician that the Applicant is Permanently Incapacitated for the Performance of Duty as a result of:
 1. A material change in the Claimed Injury(ies) or Disease(s) contained in the previous Application since the time that Application was denied; or
 2. New injury(ies) or disease(s) not apparent at the time of the previous Application, whether solely or in combination with the Claimed Injury(ies) or Disease(s) in the previous Application; and
- c. The Application is not otherwise subject to dismissal under the doctrines of collateral estoppel or res judicata.

Sec. 3 Judicial Review

The Board has adopted the provisions of California Code of Civil Procedure Section 1094.6 and has made those provisions applicable to the judicial review (writ of administrative mandamus) of any Final Administrative Decision as provided under California Code of Civil Procedure Section 1094.5.

SCERS DISABILITY RETIREMENT PROCEDURES

Following each Final Administrative Action on an Application, the *Notice of Board Decision* shall include the following statement regarding judicial review:

“Pursuant to the Board of Retirement's Disability Retirement Procedures, action to seek judicial review of this decision is governed by the provisions of Section 1094.6 of the Code of Civil Procedure of the State of California. You are advised that any such petition must be filed not later than the ninetieth (90th) calendar day following the date this written notice of the Board's decision was sent by SCERS.”

Included with this notice will be a copy of the text of California Code of Civil Procedure section 1094.6 and Chapter 1.06 of the Sacramento County Code related to the judicial review of administrative decisions, as required by Section 1.06.040 of the Sacramento County Code.

Sec. 4. Administrative Record

Any Party may request an administrative record. The complete record of the proceedings shall be prepared and certified by SCERS, and shall be delivered to the requesting Party within one hundred ninety (190) calendar days after a written request for the record is received, and the requesting Party has paid SCERS the amount determined by SCERS to cover the actual costs for transcribing or otherwise preparing the record. The record shall include: the transcript of any proceedings before a Hearing Officer; all pleadings; all notices and orders; any proposed recommendation by a Hearing Officer; any written objections to a decision, the final decision; all admitted exhibits; all rejected exhibits in the possession of SCERS; the reports and recommendations from the Medical Advisor and/or IM Examiner, if any; and any other unprivileged documents or writings submitted or presented in consideration of the Application.

ARTICLE IX

DETERMINATION OF DISABILITY RETIREMENT BENEFITS

Sec. 1. Service-Connected Disability Retirement (SCDR) Allowance

The SCDR allowance amount is 50% of the final compensation of the Member who is granted a disability retirement. The rules for determining SCDR benefits are contained in the CERL.

Sec. 2. Nonservice-Connected Disability Retirement (NSCDR) Allowance

The NSCDR allowance amount is determined based upon the membership category, benefit tier, age, service credit and final compensation of the Member who is granted a disability retirement. The rules for determining NSCDR benefits are contained in the CERL.

Sec. 3. Service Retirement Pending Decision on Disability Retirement Application

At any time after the Application Date, the Member to whom the Application applies may retire for service, if eligible, pending a decision on the disability retirement Application as provided in Government Code Section 31725.7. The receipt of a service retirement benefit does not constitute a waiver or withdrawal of a disability retirement Application. If the disability retirement Application is granted, SCERS will update the monthly retirement allowance amount paid to the Member and make a retroactive adjustment, if any, from the Effective Date through the date the monthly allowance was updated to the disability retirement allowance amount. If the disability retirement Application is denied, the Member shall not be entitled to return to the Member's former employment as provided in Government Code Section 31725 and will continue to receive the service retirement allowance.

Sec. 4. Nonservice-Connected Disability Retirement Pending Decision on Service-Connection

In each case where the Board finds that a Member is entitled to an NSCDR prior to a final decision on a pending SCDR Application, pursuant to Government Code Section 31725.8 the Board shall grant the NSCDR. If the SCDR Application is later granted, SCERS will update the monthly retirement allowance amount paid to the Member and make a retroactive adjustment, if any, from the Effective Date through the date the monthly allowance amount was updated to the SCDR amount. If the SCDR Application is denied, the Member will continue to receive the NSCDR allowance.

SCERS DISABILITY RETIREMENT PROCEDURES

Sec. 5. Effective Date of Disability Retirement Benefits

The Effective Date of a disability retirement granted by the Board is the later of the Application Date or the day after Discontinuation of Service. However, the CERL and relevant case law provide for an Earlier Effective Date, if requested in the Application, depending upon a number of factors including the reason for applying, administrative oversight, the Discontinuation of Service and whether there was an inability to ascertain the permanency of the Member's incapacity at that time, and the date through which the Member received Regular Compensation.

Sec. 6. Reciprocity and the Effect on Disability Retirement

If a Member has established reciprocity with one or more other public retirement systems in California as of the dates the Application is submitted to and granted by SCERS, each Reciprocal System will determine the benefit amount it may pay to the Member pursuant to the provisions of California Government Code Sections 31837 to 31840 and relevant case law, which specify that the combined monthly allowance from all Reciprocal Systems cannot be greater than the monthly disability retirement allowance the Member would receive had all the Member's service been credited in one retirement system. In certain circumstances, the allowance amount payable by SCERS is limited to an actuarially determined annuity based upon the Member's accumulated contributions, which may be significantly less than a reciprocal service retirement allowance or non-reciprocal disability retirement allowance.

A deferred Member of SCERS who applies for disability retirement from a Reciprocal System shall concurrently file an Application with SCERS. The Member must notify SCERS of the Reciprocal System's action to grant or deny the Member a disability retirement. If granted, the Application with SCERS will be submitted for Board action as expeditiously as practicable for approval with the same effective date as that of the disability retirement granted the Member by the Reciprocal System. Compliance with this requirement ensures that a member meets the statutory requirement to retire concurrently from all Reciprocal Systems in order to receive the benefits of reciprocity, including disability retirement. Failure to comply with this requirement will result in the loss of the benefits of reciprocity, as the Member will not have retired concurrently from all Reciprocal Systems, and the Application with SCERS will not be accepted.

Sec. 7. Active Member Death – Service Connection

In each case where the Board finds that a Member would have been entitled to an SCDR but dies prior to retirement as a result of service-connected injury(ies) or disease(s), the surviving spouse shall have the option to elect between one of the death benefits described in Sections 31780 and/or 31781, or an optional

SCERS DISABILITY RETIREMENT PROCEDURES

death benefit consisting of a monthly benefit equal to the allowance the Member would have received if granted an SCDR.

Sec. 8. Taxability of Disability Retirement Benefits

By January 31st each year, SCERS sends a Form 1099R to each retired Member showing the total amount SCERS paid, federal and state taxes SCERS withheld, and the taxable amount (as determined by SCERS) of the payments issued to the payee by SCERS during the previous calendar year.

Whether a retired Member should pay income taxes on disability retirement benefits is a matter determined by federal and state taxing authorities. The retired Member should consult a tax expert for tax advice.

SCERS DISABILITY RETIREMENT PROCEDURES

ARTICLE X

REEMPLOYMENT AND REEXAMINATION

Sec. 1. Reemployment

- a. Nonservice Connected Disability Retirement - In each case where the Board finds, based on medical advice, that a Member entitled to an NSCDR is capable of performing other Duties in County Service, the Member shall not be entitled to a disability retirement allowance if another position with Duties within the Member's capacity to perform with the Member's disability is available, and the Member accepts the offer of reemployment in the other position. The Member will be reemployed pursuant to Government Code Section 31725.5 and receive a supplemental disability allowance, if applicable, as described in Sec. 2 below.
- b. Service-Connected Disability Retirement - In each case where the Board finds, based on medical advice, that a Member entitled to an SCDR is capable of performing other Duties in County Service, the Board shall notify the appropriate agency in County Service of its findings. It is then that agency's responsibility to evaluate whether the Member may qualify for employment in another position pursuant to Government Code Section 31725.6 or Section 31725.65. If such other position is available, and the Member accepts the offer of reemployment in the other position, then the Member will be reemployed pursuant to Government Code Section 31725.6 or 31725.65, as applicable, and receive a supplemental disability allowance, if applicable, as described in Sec. 2 below.

Sec. 2. Supplemental Disability Allowance

If the Board determines, based on medical advice pursuant to Government Code Sections 31725.5, 31725.6, or 31725.65, that a Member who is granted a disability retirement is capable of performing other Duties in County Service, the Board shall notify the appropriate agency in County Service of its findings. The Participating Employer informs the Member of any vacant positions that may be suitable for the Member and consults with the Member in an effort to develop a reemployment plan. The Member is not required to accept an alternate position.

If the Member accepts an alternate position with the Participating Employer, the Member shall not be paid the disability retirement allowance to which the Member would otherwise be entitled during the entire period that the Member remains employed in the alternate position.

Instead, the Member will receive a monthly Supplemental Disability Allowance in lieu of the disability retirement allowance, the amount of which is the difference

SCERS DISABILITY RETIREMENT PROCEDURES

between the compensation rate of the alternate position and the compensation rate of the Member's former position from which the Member was determined to be disabled, if the compensation rate of the former position is higher than that of the alternate position, not to exceed the amount of the Member's disability retirement allowance.

Sec. 3. Reexamination and Reinstatement

At the discretion of the Board, a Member who is granted a disability retirement and is younger than age 55 may be required to submit to reexamination pursuant to Government Code Section 31729. In determining whether to examine or reinstate a retired Member, the Board can take into consideration the Participating Employer's ability to reinstate the Member.

The Member may be asked to complete a questionnaire regarding continuing disability, execute an *Authorization for Release of Medical and Other Information* form for SCERS to obtain additional medical records, to provide SCERS copies of medical records dated subsequent to the date the disability retirement was granted, and to submit to additional IME(s) at SCERS expense. If, based on the examination or other evidence, the Board determines that a Member retired for disability is no longer incapacitated and the Member's Participating Employer offers to reinstate the retired Member, the Member may be reinstated to service with his/her former Participating Employer pursuant to Government Code Sections 31730 and 31732 and applicable Participating Employer personnel rules.

SCERS will send the Member a *Notice of Reinstatement* advising that the Board has determined the Member is no longer disabled, that the Participating Employer is willing to reinstate the Member and provide a copy of the written offer of employment, and that the Member's disability retirement allowance shall be cancelled fifteen (15) calendar days from the date of the notice unless the Member submits a *Request for Hearing or Record Review* form to appeal the Board's decision. If the Member requests a hearing, the issue of continuing disability shall be referred for Hearing as provided in these Procedures.

Sec. 4. Refusal to Submit to Reexamination

If a Member who is younger than age 55 and retired for disability refuses to comply with the requirements for reexamination as specified in Sec. 3 above, the Board may discontinue payment of the Member's disability retirement allowance as provided in Government Code Section 31731, until the Member withdraws such refusal and complies with the requirements. If the refusal continues for one year, the Board shall cancel the disability retirement allowance.
